ABOUT US

Discover a state-of-the-art educational experience at Pillai HOC College of Engineering and Technology! Our expansive 14-acre campus provides a dynamic learning environment, boasting a 3,000 sq-ft facility equipped with spacious classrooms, cutting-edge laboratories, and contemporary computer setups. Immerse yourself in innovation with access to our extensive library, offering a wealth of resources to fuel your academic pursuits.

Our Computer Engineering Department, proudly approved by AICTE and DTE, holds NBA accreditation and an 'A+' Grade from NAAC. We aim to produce proficient, ethical, and innovative graduates. Emphasizing both theoretical and practical aspects, we prioritize problem-solving and eco-conscious research. Join us for globally recognized standards in education, shaping socially responsible and technically adept computer engineers.

Get ready for HackOverflow 4.0! Following the success of the third edition in March 2025 at PHCET's campus, this National-level hackathon is back, attracting brilliant students from across India. Building on the triumph of its predecessor, HackOverflow 4.0 offers a dynamic platform for participants to showcase exceptional skills and ignite creativity in the evolving tech world.

DEVELOPER COMMUNITIES

Google Developers Group, PHCET:

The Google Developers Group (GDG), PHCET is a community for students interested in developing their skills in Google Developer technologies. The club holds activities to support students' academic success, including study jams, solution challenges and more.

Computer Society of India, PHCET:

The CSI PHCET Student Club is a student-led community at PHCET that aims to bring together students with an interest in technology and latest industry trends. The club conducts a variety of events and activities, including webinars, coding sessions and seminars to support the academic growth and development of its members.

Cybersecurity Club, PHCET:

The Cybersecurity Club, initiated by the Department of Computer Engineering, aims to build strong awareness and practical skills in the field of information security. The club has successfully organized events and workshops focused on ethical hacking, network security, and cyber awareness, helping students understand real-world security challenges and defense mechanisms.

Other Developer Communities:

In addition to these clubs, PHCET also has other computer science rated communities such as Geeks For Geeks- PHCET , AI and Data Analysis club which focus on educating students about the latest software trends and AI/Data analysis technologies respectively. These clubs provide students with a wealth of opportunities to explore their interest and develop their skills in variety of computer science related fields

SUCCESS OF HACKOVERFLOW 3.0

650+ Team Registrations

An amazing 150 teams from India eagerly signed up for the shortlisting round, bringing a wave of enthusiasm to the event.

60+ Teams

More than 60 teams got selected and excitedly participated in the collaborative atmosphere of HackOverflow.

15+ States

A diverse multitude hailing from a whopping 15+ states passionately converged for the grand spectacle of innovation at HackOverflow 3.0.

Social Media Reach

An impressive social media presence with over 500 followers across platforms, coupled with our content garnering an impressive 150 k+ views.

3k+ Website clicks

The hackoverflow3.tech website experienced over 3,000 clicks, while its interactive features attracted an audience of over 6,000 views.

ABOUT

HACKOVERFLOW

HackOverflow 3.0, a success at PHCET from 20th to 22nd March, 2025, united brilliant students nationwide, merging online and offline excellence, with top-notch facilities and celebrated Innovation Champions. Distinguished mentors provided guidance to participants, and champions earned noteworthy cash prizes.

Get ready for HackOverflow 4.0, an immersive innovation journey from 11th to 13th March, 2026. Join us on our picturesque campus, collaborate with like-minded tech enthusiasts, and push the boundaries of your potential.

- ▶ **Date :** 11th – 13th March, 2026
